All Power is within you...

❖Whatever you think you will be. If you think yourself weak, weak you will be; if you think yourself strong, strong you will be

❖Let people say whatever they like, stick to your convictions, and rest assured, the world will be at your feet. They say, 'Have faith in this fellow or that fellow', but I say, 'Have faith in yourself first' that's the way. Have faith in yourself all power is in you-be conscious and bring it out. Say, 'I can do everything'

❖Stand up, be bold, be strong. Take the whole responsibility on your shoulders and know that YOU ARE CREATOR OF YOUR OWN DESTINY. All the strenght and succour you want is within yourselves.

❖If you think that infinite power, infinite knowledge, and indomitable energy lies within you, and if you can bring out that power, you can also become like me.

❖Arise, Awake and stop not till the goal is reached.

-Swami Vivekananda
