Wring-Pro 60

High performance triple bucket healthcare trolley

Product Info

The Wring-Pro™ 60L is a 3x20L triple bucket trolley engineered for high-performance cleaning across large commercial environments, delivering unmatched efficiency and reliability in demanding conditions. Designed with a high-capacity triple bucket system, it optimizes water segregation while reducing the need for frequent refilling, enabling faster workflow and improved productivity for housekeeping teams.

Side Press mechanism - India's 1st Open Bottom Design

Partek Down Press Wringer

Down press mechanism - ideal for Partek Lito mops

Smarter Cleaning. Sleeker Spaces. Stronger Impressions.

Healthcare-Ready Ergonomic Buckets: Specially designed Plus-shaped buckets support better segregation and hygiene practices, ideal for hospitals and pharma environments. The easy-pour grab handles make disposal quick and effortless.

Enhanced Stability on the Move: The robust trolley base with slotted bucket design keeps liquid-filled buckets secure and stable, even on ramps—minimizing spills and ensuring safe operations.

Modern, Professional Design: A perfect blend of smart functionality and elegant aesthetics, ensuring your cleaning equipment complements premium interiors.
