## ABOUT US

We are an ISO 9001 Certified Company engaged in offering an assortment of sewage pumps, chemical pumps, triplex plunger pumps, centrifugal pumps, hydraulic test pumps, positive displacement screw pumps, food processing pumps, chemical processing pumps, hydraulic testing pumps special, customized pumps and allied products. Our pumps are extensively used in the industries like Railways, Defence Establishments, FMCG Companies, Pharmaceutical Companies, Engineering Industries, Chemical Industries, petrochemical Industries and many more. We have a large client base in India and Abroad, due to our commitment towards our patrons.

The foundation of the company was laid in 1970 by its Mentor Chairman Late Shri.K.N.Goyal in the name of "Modern Industrial Engineering Company Ltd". His rich experience of working in an engineering industry in Belgium helped in setting up the company. In the year 1987, the company was renamed as "Mieco Pumps and Generators Pvt. Ltd" by then Chairman Late Shri.B.K.Goyal. Shri B.K.Goyal who had experience of more than 44 years in business, established a strong network, introduced new products and aquired a wide recognition in the field. In the 80's and early 90's our company developed an economic model of generator for the farmers and had captured the entire Karnataka and surrounding region for their requirements. Shri.B.K.Goyal being a member of Karnataka VAT Advisory Board, Regional Advisory Committee of Service Tax, Central Excise & Dept of Revenue, MC Member at FKCCI, KHAMA, Directorate of Urban Land Transport was very active in every domain for the betterment of Trade & Industry. Little wonder that our company was the 1st Company in the State of Karnataka to receive the VAT Certificate when VAT was introduced in India.

Shri. Rahul B Goyal, our present Chairman & Managing Director, has been a strong motivator for our workforce, enabling them to understand the varied requirements of our clients and cater to their needs in the most effective manner.

He started his career working for a Chartered Accounting Firm, wherein the work included Internal Audits of Industries and even Zonal Audits of Banks, thus giving him a rich experience in the financial aspects and internal working and structuring of companies.

Shri. Rahul Goyal, an MBA graduate, having more than 20 years of experience in the company transformed the accounting standards, introduced extensive usage of computerisation and digital mediums, brought in ISO 9001 standards to the company with never ending innovations for the betterment of the workforce without compromising on quality of the products. Apart from being a leading businessman, he is very active in many prestigious organisations in capacity of Managing Committee member or serving in various committees. Some of the organisations are Federation of Karnataka Chambers of Commerce and Industry (FKCCI), Karnataka Small Scale Industries Association (KASSIA), Confederation of All India Traders Association (CAIT), Karnataka Hardware and Allied Merchants Association (KHAMA), Builders Association of India, Rotary Club of Bangalore Southwest and many more associations including various Social welfare associations and temple trusts.

He is a firm believer of the saying **"Quality is Long Remembered after Price is Forgotten"** and lays extra emphasis on the quality of the products.
