➤ **THE BEGINNING AND JOURNEY**

LARK, a dream dreamt by a duo of Pharma Marketing veterans for which foundation stone was laid in 1979 by joining hands with a group “Richa and Company”. Richa group is a globally renowned name in garment exports. The group has offices and operations in various parts of the world.

LARK, being the Pharma part of the group is a highly technical sector which is now in the able hands of a generation of well qualified technocrats.

The first factory was put up in Wazirabad at Delhi. In 1986 **LARK** graduated to a bigger plant in Okhla Industrial area, New Delhi. Once again in 2002, **LARK** put up a state of an art facility in Bhiwadi as per MCA TGA standards. The facility is approved in many countries, WHO GMP and ISO 9001: 2008.

The group has a turnover of 150 million dollars. The group has huge human resource of around 12,000 people. Dedicated happy human resource being the biggest asset responsible for growth and development of the group.

The company has to its credit job works of many a MNC’s like Ranbaxy, Sunpharma, Dabur and Cadila health care.

LARK has already achieved the distinction of exporting to 26 countries like Afghanistan, Azerbaijan, Cambodia, Congo, Georgia, Ghana, Malawi, Nigeria, Nepal Tajikistan, Kyrgyzstan, Ukraine, Zambia, Kenya, Malaysia etc.
