About Us

Sunrise Living Essentials Private Limited is a manufacturer and supplier of air coolers, based in Jaipur, Rajasthan, India. Established with a commitment to providing practical, reliable, and efficient cooling solutions, the company focuses on meeting the diverse cooling requirements of residential, commercial, and other everyday applications. With a customer-oriented approach and an emphasis on product quality, we aim to make comfortable living accessible through a range of thoughtfully designed air coolers.

At Sunrise Living Essentials Private Limited, we understand the importance of effective cooling, particularly during the hot summer months. Our product portfolio includes different models of air coolers designed to suit varying preferences, space requirements, and cooling needs. From single-face air coolers to double-face models, our range offers customers multiple options to consider when selecting a suitable cooling solution for their homes, workplaces, shops, and other indoor or semi-open spaces.
