... for elegant lifestyle.

Mfg. of Plastics Household Products

www.shreemindustries.com

Keeping in mind the new era of globalisation and intellectual property rights, we have come up with our novel brand named “My Style”. My style symbolises the new generation customers who are concerned about 3s - status, sophistication and style. The brand is also designed to meet with the environmental and eco-friendly aspects of today’s urge against global warming. The entire product range is eco- friendly and recyclable. Owing to unique design, best quality and elegant appearance, “My Style” aiming to work with many International Companies.

We are dedicated to build long-term partnerships with our customers all around the world. We are looking forward to collaborate with all the potential domestic and overseas counterparts and friends to create an even more successful future.

IMPROVE YOUR DRINKING HABIT

OF WATER FOR :

- Body Maintenance
- Helps body to Regulate Temperature
- Helps our organs to absorb nutrients better
- Helps to flush out waste and toxins
- Improves Skin
- Digestion
- Lose Weight
- Fight Sickness
- Protect our vital organs

Fruttica

FRUIT INFUSER BOTTLE

Keep your water cool and eliminate with handy bottle. Inclusive Inner Strainer/ Filter - Keep your fruit / Ice in your bottle without clogging your drinking spout.

The openings on the base and top of the infused bottle make it easy to clean the fruit bottle in seconds. The bottle is top shelf dishwashing safe. The material is environmentally friendly, durable, and attractive.

The fruit infuser compartment is uniquely placed on the top of the bottle ensuring the fruit to be submerged longer than many fruit infuser bottles resulting in deep, long lasting tastes. The infuser is removable allowing the bottle to act as a sports bottle if desired.

Features :

- Fruit Infuser Inside
- Flip Top Cap Easy To Use
- Easy To Carry Sleeve
- High Quality Stainless Steel
- Eco-friendly Bottle
