LEADING TARPAULIN MANUFACTURING ORGANIZATION IN EASTERN INDIA.

Tandhan Polyplast always continues to maintain the highest standard of excellence, both in quality and production output and last but not the least in terms of service as well, and that is because we continuously aim to maximize our customer satisfaction.

Tandhan Polyplast is an organization with a strong backbone powered by the most advanced technologies, best quality products and outputs and complete services that basically enable us provide almost all the solutions to our valued clients from every corner of the world.

Our Mission

Our mission is to deliver exceptional products and service and to follow through our promises and commitments.

At Tandhan Polyplast, we strive our best to deliver individualized and even tailor-made customized solutions with our products to all our clients' tarpaulin needs and certainly adding value to our clients' businesses.

All the staffs at Tandhan Polyplast are intensely focused on delivering the best service and forming lasting relationships with our valued clients. This core especially operates and works in premium quality Cross Laminated Multilayer Tarpaulin, Tarpaulin Sheets and many more. Thus, we will appreciate to be judged not only by our words but by our actions as well.

Our Vision

Tandhan Polyplast endeavours to be recognized as the benchmark of outstanding products and service. We take great pride in bringing commendable results that count in everything that we commit and set out to do, right from manufacturing, packaging, transporting and delivering products or orders. We continuously push our limits to pursue an ever aggressive, outgoing research and development program thus ensuring the future as the leader in tarpaulin and polyplast industry. We ensure guarantee for our products and services and pledge to grow expending ourselves all over the world to serve our valued clients even more proficiently.

Our Products

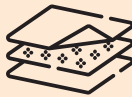

**Premium quality Cross Laminated Multilayer Tarpaulin.
Solution for all your Tarp issues!**

Ecopaulin is a multi-layered cross laminated tarpaulin. This special kind of tarpaulin sheet is widely acclaimed and known for its toughness and superb agility. Ecopaulin is made by the world class modern technology and state-of-the-art equipment. Along with this Ecopaulin is a completely eco-friendly product too as it is 100% recyclable.

Agricultural Uses

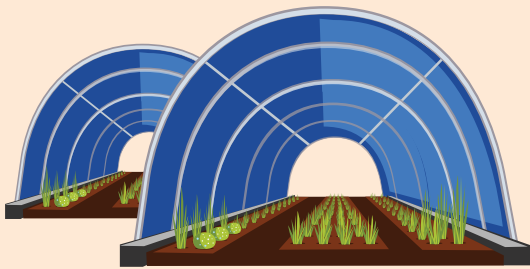

Pond Liner

Keep your pond water safe from contamination and adverse weather conditions with our products. They help in providing just the protection that your pond water requires.

Vermi Bed

For production of vermi-compost, having the right Vermi Bed with the maximum protection is a necessity. Our products provide the perfect cover for Vermi Beds.

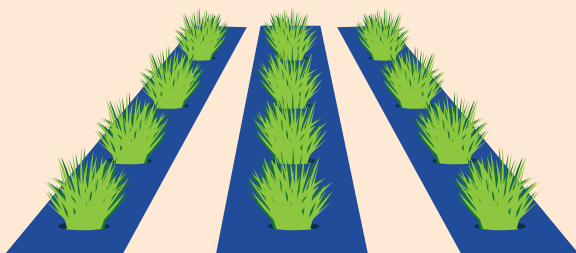

Greenhouse/ Polyhouse Shed

Greenhouses maximize their production when they have the right cover. Our products provide just the right base for greenhouse or polyhouse sheds.

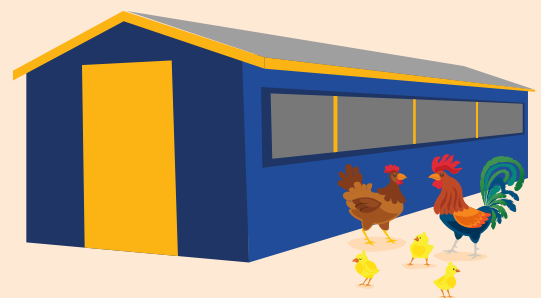

Plant Sack

Provide your plants the right cover and protection with our products, which will help in protecting their growth.

Mulching Sheet

Our products make perfect sheets for increasing agricultural growth through the process of sheet mulching, providing the base required for plants.

Poultry Curtain

Every poultry farm requires a proper cover and our products make perfect farm curtains to protect your poultry with, providing them with a sturdy shed.

RAW MATERIALS & QUALITY :

Tandhan Polyplast always use the best quality raw products to produce the best quality and world class tarpaulins and other polyethylene products for their valued customers worldwide.

THE FACTORY NEVER SLEEPS :

The production process at the Tandhan Polyplast factory is an ever-ongoing one. This certainly denotes the demand for Tandhan Polyplast's quality products in the market.

SKILLED MANPOWER :

Tandhan Polyplast takes pride in having the best team of skilled manpower, all of whom are covered under various medical insurances along with their needs well taken care of.

NO CHILD LABOUR POLICY :

Tandhan Polyplast always takes a strong stand against 'CHILD LABOUR', and believe in, "Don't ask children to take a TOOL...instead send them to SCHOOL"

TECHNOLOGY & EQUIPMENT :

At Tandhan polyplast factory we use world class Technology and state-of-the-art equipment to produce high quality tarpaulins and other polyethylene products, that have already set a benchmark for the whole industry.
