Philosophy

99

Far and wide in the Universe, the earth is all we have. Our inheritance, Our Legacy, Our Past and Our Future! The earth gives us all we need to live, grow and prosper. And it comes with a promise, the closer we are to the earth, the longer we will enjoy its bounty. Khadi Organique knows this truth. We understand and realize the promise of eternal blessings of nature if we live in harmony with it. And that forms the core of Our Philosophy.

Khadi Organique has been developed on the concept of living in sync with nature utilizing its pure ingredients for wellness and beauty. These pure ingredients form the active component of all our products giving natural vitality, care and charm to users. Breathing life into our products, these potent ingredients bring surreal beauty, glow and soulful experience. Invoking the senses, Khadi Organique delivers the earthiness of nature in every product creating harmony within and beyond.

The pure ingredients are derived from years of research to extract them from the gifts of nature. Cultivating a dynamic relationship with farmers and organic growers, Khadi Organique sources all its products from authentic farms that use only organic ways of farming, in tune with the best interests of the environment and nature.

The active ingredients of Khadi Organique products include essential oils that are rich in aroma with therapeutic properties. Easily absorbed, they enhance beauty and wellness without any harsh side effects. These are developed into products with formulas that do not require addition of any synthetic compounds. Keeping the essence of purity of nature intact in every product, Khadi Organique takes you on a journey of eternal bliss and gentleness.

Committed to contributing to our best to the environment, we ensure that we are in harmony with nature at every step of our manufacturing process. We believe in sustainability of the planet and nature while we deliver pure natural and gentle products. This forms the core of Our Philosophy.

Pamper your skin
by a nourishing treat
of a tantalizing
morning shower!

KHADI HERBAL GLYCERINE SOAPS

A passionate organic mixture of herbs to make your skin smooth with natural flavours.

PAPAYA SOAP

A glowing lustrous skin is everyone's dream. Relish that immense feeling of luminous fascinating skin. Papaya has powerful antioxidant effect. It is loaded with nutrients and protects against skin damage. Wheatgerm oil has abundance of anti-ageing properties that reduce premature ageing signs.

ALOEVERA SOAP

Complemented with the goodness of mild ingredients, it is a promise of smooth, soft, supple skin. Known as the 'Plant of Longevity', Aloe Vera is a perfect skin moisturizer which cools and soothes the skin. Wheat germ oil acts as a healer of all types of skin, including dry or cracked skin.

CHANDAN HALDI SOAP

An extraordinary gift of Ayurveda, Chandan and Haldi revives and soothes the body and the mind! A powerful anti-oxidant and a rich source of Vitamin E, wheat germ oil cleanses the face naturally. Glycerin acts as a protective shield to prevent loss of moisture from the skin.

JASMINE SOAP

Relax, Rejuvenate and Refresh yourself with the alluring scent of natural Jasmine soap! The jasmine used adds moisture to the skin, putting an end to dryness apart from diminishing the appearance of ageing spots. The Vitamin E rich wheat germ oil gives an even skin tone and reduces skin damage.

NEEM-TULSI SOAP

Radiate with inner beauty and natural charm with the enchanting brilliance of Neem and Tulsi! Loaded with antioxidants and nutrients, Neem oil serves as an aid to shield the skin from environmental damage. Rich in Vitamin E and fatty acids, Neem oil regenerates the cells of the skin and revives elasticity.

ROSEWATER SOAP

Treat your skin with the absolute purity and goodness of Rose, the Queen of Flowers! Rose water or Gulab jal serves as a great cleanser & helps in removing dirt & oil of the skin. It serves as an aid for maintaining the pH balance of the skin & prevents the growth of acne-causing bacteria.

SANDALWOOD SOAP

Prepare yourself to be spellbound by the warm, woody, elegant and heavenly aroma of sandalwood soap! It helps to lighten scars and stretch marks. Loaded with astringent properties, rose water acts as a skin-toner. It helps in cleaning the pores of the skin, making it free from extra oil.

MIX FRUIT SOAP

Pamper your skin by a nourishing treat of a tantalizing morning shower! The herbal remedy of glycerin fades away skin problems like dark spots, hyper pigmentation, signs of ageing naturally. The saturated fats present in coconut oil keep the skin moisturized, making it smooth and healthy.

HONEY GLYCERINE SOAP

Cherish yourself with the soft, smooth touch of nature. Honey is naturally anti-bacterial and soothing which helps to boost complexion. Glycerin makes the skin soft and supple and removes fine lines and wrinkles. Coconut oil penetrates the skin deeply moisturizing it.

KHADI HERBAL GLYCERINE SOAPS

Get complimented for your gorgeous and attractive looks.

KHUS SOAP

Enjoy the cool refreshing scented bath with a pleasant soothing effect. Khus has a cooling effect that lightens the skin making it soft and silky. Having regenerative properties, it makes the skin supple and toned. It helps to cure acne and skin irritation, dryness and cracking of skin.

LEMON SOAP

A promise of Happiness, Freshness and Super Soft Skin!

The citric acid present in lemon oil serves as an agent to increase the skin's natural color. Lemon oil maintains the balance of pH levels of the skin and helps in the production of new cells.

ORANGE SOAP

Jump-start your day by the sassy tangy aroma of orange! The uplifting nature of orange oil serves as an aid to soothe the mind and relieve stress. Its refreshing aroma relaxes the skin and the body completely. It fights against inflammation and bacteria on the skin, thus reducing acne.

PURE LAVENDER SOAP

Fall in love with the fragrance of lavender and embrace this gift of nature! Renowned as an outstanding cleanser of the skin, rose water helps in the removal of dirt and oil gathered in the pores of the skin which are clogged.

PURE MINT SOAP

Come alive with the refreshing peppermint and the cool, menthol! Peppermint oil used makes the skin glowing and healthy. The menthol present cools the skin and makes it smooth and bright. The minty genius is a natural beauty treatment for the skin and a controller of acne.

PURE NEEM SOAP

Lose yourself in the natural aroma of Neem & find bliss! Neem leaves act as a skin-toner and moisturizer, making the skin supple and soft. The aspirin-like compound present in neem oil frees the skin from bacteria; its high fatty-acid content helps to prevent scars from acne.

STRAWBERRY SOAP

Set your mood with the refreshing lovable aroma of freshly picked strawberries! Almond oil is an efficient moisturizer; it aids in the renewal of skin cells and invigorates skin. It eliminates impurities and dead skin cells and helps in the reduction of tan.

SAFFRON SOAP

Drizzle with youthful healthy spirit as you enjoy perfect glowing soft skin! Saffron is rich in antifungal properties which are effective for the cure of blemishes, acne and blackheads. It smoothen the skin, improves its texture, tones it and makes it luminous.

APRICOT SCRUB SOAP

A promise of a clean clear face with exfoliated healthy skin! Obtained from the dried seeds of apricot, the apricot oil makes the skin soft with its high content of Vitamin A, C and E. It aids in getting rid of old, dead skin cells on the skin's surface and helps to regrow new skin cells.

KHADI HERBAL GLYCERINE SOAPS

A promise of a clean clear face
with exfoliated healthy skin!

BASIL SCRUB SOAP

Spice up your shower and awaken your senses with the pleasing raw zeal of basil or tulsi – the world's most popular herb! Basil oil is packed with anti-bacterial, antiseptic and purifying properties, relieving many skin problems like acne, scars and marks.

LEMONGRASS SOAP

A splendid way to begin your day with pleasure and leisure!

The antiseptic and astringent properties of lemongrass oil make the skin smooth and glowing. Glycerin works as an efficient skin toner, especially for oily skin. It reduces acne & blackheads cleansing the skin thoroughly.

ALMOND SOAP

Warmly scented, handcrafted clear soap made from pure natural ingredients! The pure almond oil used is extracted from the finest superior quality almonds with high concentration of Vitamin E. It moisturizes and protects the skin restoring its water content.
