

FUTUREGENIC

SYSTEM & SOLUTION

Industrial Automation for a Smoother Process

**PRODUCT
CATALOGUE**

About Us :

Futuregenic System & Solution, a company for all your automation needs, We believe and are known for delivering quality products & services to our clients.

Our team is providing all kind of trading & supplying of automation products solutions to industry.

Our growing business and increase in the number of satisfied customers in short span of time reflects the quality of our services and our credibility. By following ethical business practices, our company has carved a niche in the Automation industry in India. With the aim of providing quality products and prompt services, **Futuregenic System & Solution** has successfully accomplished the target of supplying Industrial Tools and Automation products.

We Sell our products under the reputed brand names in automation industry.

Associated with Brands

Position Switches

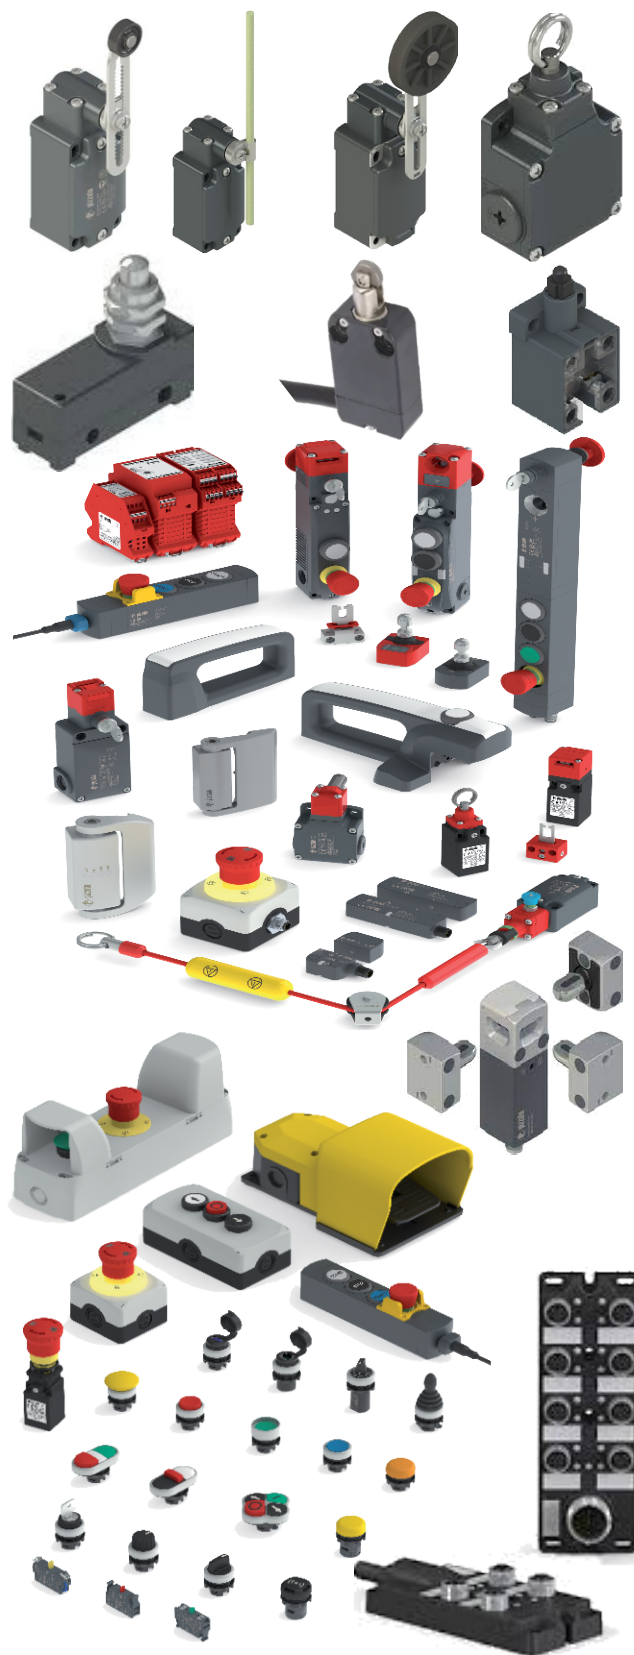

- Micro Limit Switches
- Heavy Duty Limit Switches
- Modular Limit Switches
- High Temperature Limit Switches
- Panel Door Switches
- Atex Limit Switches

Safety Devices

- Safety Switch with Separate Actuator
- Solenoid Safety Switches
- Safety Switch with RFID Technology
- Magnetic Safety Switches
- Hinge Safety Switches
- Pull Cord Safety Switches
- Safety Relays
- Safety Controllers
- Safety Handles
- Passive Junction Boxes
- P-Connect Gateway for Safety Devices

HMI Devices

- Foot Switches
- Push buttons
- Two Hand Stations
- Joy Stick
- Selector Switch
- Indicator Light
- E-Stop with Luminous Disk
- RJ45/USB Sockets

PEPPERL+FUCHS
SENSING YOUR NEEDS

- Inductive Sensor
- Photoelectric Sensor
- Ultrasonic Sensor
- Incremental Encoders
- Absolute Encoders
- Safety Light Curtains
- Inclination & Acceleration Sensors
- Vibration Sensors
- Positioning Systems
- Ethernet IO Modules
- Vision Camera
- Lidar Scanners
- Profile Sensors

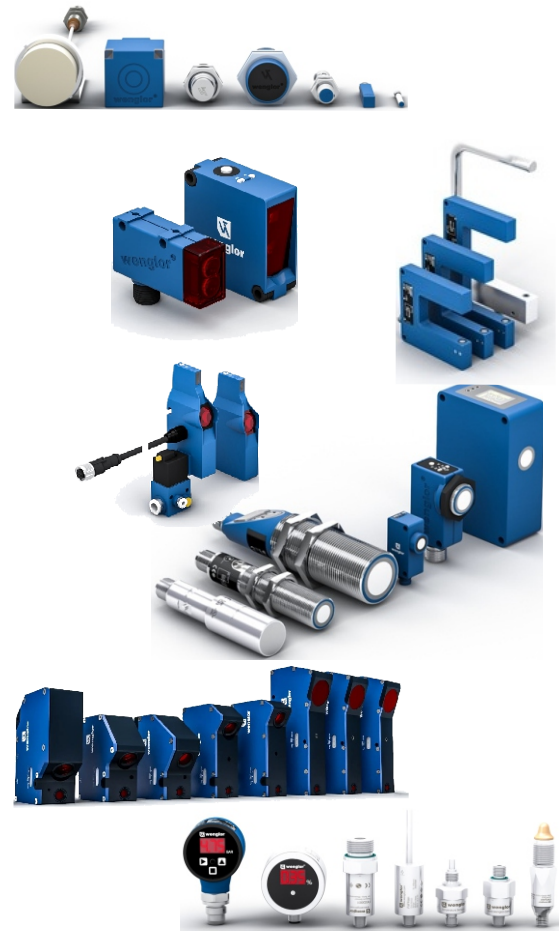

TRINITY TOUCH

- Enclosure Boxes
- Industrial Plug & Sockets
- Wiring Duct (PVC Channel)
- Din Rail & Accessories
- Flexible Conduit & Accessories
- Cable Glands

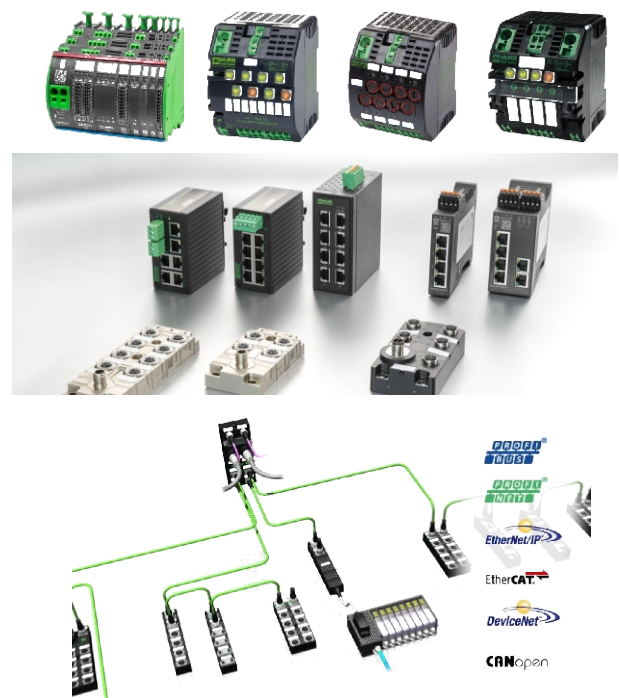

- Inductive Sensors
- Metal Face Inductive Sensors
- Print Mark Sensors
- Color Sensors
- Fork Sensors
- Blue Light Sensor for Transperant Object
- Sensor for Roller Conveyor Systems
- Temperature Sensors for Contactless
- Measurement
- IO-Link Sensors
- Ultrasonic Sensors
- Laser Distance Sensors
- Temperature, Flow & Pressure Sensors
- Clear Level Sensor for Sticky Material

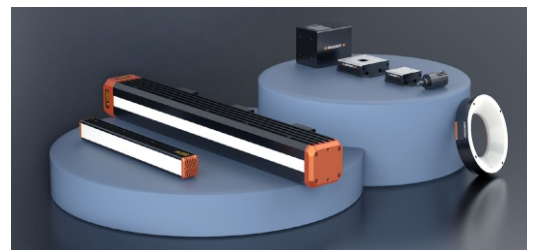

- Power Supplies
- Intelligent Power Distribution Modules
- Metal / Plastic IO-Modules
- Unmanaged, Managed and Profinet
- Managed Switches
- Cable & Connectors

HIKROBOT

Factory Automation Solutions

- Area Scan Camera
- Smart Camera
- Smart Barcode Readers
- Handheld Barcode Scanners
- 3D Camera
- DWS Solutions
- AGV's
- Vision Lenses
- Vision Camera Lights
- Vision Box (IPC)
- Vision Softwares

REER

- Safety Light Curtains
- Lidar Scanners

VFD & Motion Control

- AC Drive
- Programming Logic Controller
- Human Machine Interface
- Motion Controller
- AC Servo Motor Drive
- CNC Controller

Industry & Application

VFFS

HFFS

Label Applicator

Slitter Machine
(Winder-Rewinder)

Flexo Printing

Sheet Cutter(Print to Cut)

V Bottom Bag Making

NC Cutter Corrugation

CTL Machine

Leakage Testing
Machine

Pipe Bending

SPM
Welding Machine
