Ojass Healthcare Products (OPC) Pvt.Ltd

About Us

Our Company, Ojass Healthcare Products (OPC) Private Limited, is operational under the guidance of Ms. Anita Saxena. She is an inspiration which motivates the entire team to work with dedication and honesty. She was touched by the schemes launched by the government of India to encourage women entrepreneurship and started her own venture with the aim to generate employment for women. She commenced our manufacturer and supplier company in the year 2019 and in a short frame of time, we have registered our name in the list of top-notch firms.

Our Mission

The mission of our company is to contribute to Pradhanmantri Swach Bharat Yojna of India by delivering the best soaps to customers that are made from effective and skin-friendly ingredients.

To support the campaign of Clean India, our mission is to deliver affordable soaps that are capable of not only making skin soft but kills the bacteria as well

Quality Assurance

The aim of our company is to deliver only the best quality products to esteemed customers. To maintain the quality in our products such as Rose Fragrance Herbal Soap, Aloe Vera Fragrance Herbal Soap, Lemon Fragrance Herbal Soap, Sandalwood Fragrance Herbal Soap, etc., we follow all the norms. Further, we have an in-house testing lab for quality inspection of the manufactured range. Each and every product that we supply to our customers first undergoes a stringent quality check before dispatch. The parameters on which the range is tested includes:

- ✓ Skin-friendliness
- ✓ Fragrance
- ✓ pH value
- ✓ Ability to kill germs
