About Us

With determination of providing our customers with premium elastic tapes, we at ABP & Co have incorporated the latest technology in our operations. Established in 2018, we function as a manufacturer and supplier of Colour Button Hole Elastic Tape, Plain Elastic Tape, Knitted Plain Elastic Tape, Face Mask Elastic Tape and other products. Our tapes are strong, cost-effective, and economical. Our elastic tapes are available in a range of widths, thicknesses, and colors, and they can be specially made to match the demands of our clients. We make a concerted effort to make sure that our products satisfy the specific demands and criteria that each of our clients have. Numerous products, including garments, medical equipment, sporting goods, and more, use our elastic tapes.

Our organization has been able to establish a strong reputation in the market over the years with an excellent quality-oriented approach. We make sure to uphold strict quality standards in our operations with the help of our quality control unit. It is run by a team of quality control experts, who are well-versed with their responsibilities. Our quality control experts have developed a strict quality control system which supervises every step of the process including raw material selection, manufacturing, packaging and other processes. They also make sure to test the manufactured products against various parameters including the design, performance, functionality and other facilities.
