About Us

Electro Fabs, established in 1979 in Coimbatore, India, is a reputable manufacturer supplier, and trader of a wide range of motors, pumps, and other products. In our product portfolio, we are offering Borewell Compressors, High Pressure Washers, Reciprocating Pumps, Squirrel Cage Motors, Air Compressor Electric Motors, Foot Cum Flange Mounting Motors, Three Phase Induction Motors, and other products. These are fabricated according to industry norms and international quality standards, utilizing high-grade components sourced from trusted vendors. Our advanced manufacturing unit and experienced professionals ensure a smooth and flawless production process.

With state-of-the-art infrastructure and a team of qualified professionals, Electro Fabs efficiently caters to diverse client requirements. Our commitment to client satisfaction is demonstrated through our provision of both standard and customized options, with professionals working closely with clients to meet their specific needs within the specified timelines. The success of our company can be attributed to Mr. Ashok Kumar (Partner), who possesses vast industry experience and exceptional leadership skills. Under his guidance, the company consistently delivers flawless motor products to clients, ensuring the highest level of customer satisfaction.
