About Us

We, Gokul Irrigation, are a reliable manufacturing company that well-manages business operations by following a systematic work approach. We keep track of our client's requirements to ensure we deliver them with the best-in-class range of industrial components. For instance, we deal in HDPE PIPE FITTINGS, PP PIPE FITTINGS, INDUSTRIAL VALVES, COMPRESSION FITTINGS, AGRICULTURE VALVES & DRIP IRRIGATION FITTINGS and more of high quality. Another reason behind our huge success is the way we perform our job roles of a manufacturer. We have also maintained strong business alliances with some reputed companies of the industry for procuring top-of-the-line base material for manufacturing our components. Being a supplier, we have set up large supply chain reaching every nook and corner of our country. Apart from this, we also follow stringent quality measures within our company to ensure our HDPE & PP PIPE FITTINGS PRODUCTS of HDPE LONG NECK PIPE END, HDPE REDUCER PP SLIPON FLANGE etc., is defect-free.

We, Gokul Irrigation, have hired a team of customer care executives backed by which we interact with our clients regularly to understand their requirements in a better way and update them about their orders. This helps us in delivering them only the finest quality Plastic Pipe Fittings, PP Hose Nipple, HDPE Male Thread Adapter, PP Tail Piece Flange, PP Threaded Foot Valve, etc. Headquartered in Ahmedabad, Gujarat, India, our company has three different production facilities to suffice the ever-increasing demands of our customers for the aforesaid and allied components without any delay. Since our commencement, we have been working hard to bring happiness to our client's faces and for this, we strictly follow client-focused approaches.
