

# HHMI

Helps you to fight against

**COVID-19**  
**PANDEMIC**

“  
History tells us that an informed  
and activated population is vital to  
Protect the public's health ”

**Do face masks works ?**  
**Experts say - YES**

## When everyone wears masks

- It is going to cut down 95% of the breathing that sends the virus up to 6 feet away
- Population-wide use of masks is essential for suppression of the pandemic
- The more people use masks, the less virus can be distributed, and fewer individuals are exposed.

**COVID-19**

## Do's

## Dont's

Greet people without physical contact

Wear reusable face-cover / mask at all times

Wash hands frequently or use alcohol based hand sanitizer

Clean & disinfect frequently touched surfaces regularly

Avoid touching eyes, nose & mouth

Don't visit crowded places / avoid mass gathering

Don't spit in public

Avoid Unnecessary travel
