About Us

The medical sector is already growing at a phenomenal rate in this era of rapid development. As an outcome, market has also risen for various medically used products and to them, our company, Surgimart Surgical India Private Limited has supported the industry with many types of Disposable Medical Products as a manufacturer and supplier. In the year of 2017, we started our company to provide a broad spectrum of products, such as Disposable Shoe Cover, 43 GSM Lab Coat, Disposable Surgeon Gown, Disposable Bed Sheet, Disposable Surgery Kit, Knee O Drape and so many more. All of our medically utilized goods are designed and developed with utmost precision by our highly qualified team of experts which also ensures that they comply with top quality standards before being finally shipped.

Our vision is to be a company that gives its customers the best medical supplies which are reasonably priced, convenient-to-use, safe, and also curable. Moreover, we also aim to stringently conform to international standards while manufacturing our goods like 43 GSM Lab Coat, Knee O Drape, Disposable Shoe Cover, Disposable Surgery Kit, etc., and ship them to the customers on-time.

Employment is the greatest way in which one can help the society and our company is strongly supporting this cause. We give employment to most of the men & women and provide them with equal pay for the job they do, but we always abstain from child labor which is strictly forbidden.
