## About Us

Sunglasses, perfect accessory for having sufficient safety from bright & intense sunlight while maintaining a good statement of style. Whether one is going on a road trip or a beach or shopping or parties, sunglasses are simplest fashion accessories that anyone can carry everywhere. All they need is the perfect frame that suits their face, personality and overall style. Our, **Hautbrands India Pvt. Ltd.**, job is to present such sunglasses to customers that can potentially exceed all their set expectations. By working as a manufacturer, importer and exporter, the variety which we are bringing for them is encompassing **Aviator Polarised Sunglasses, Square Polarised Sunglasses, Round Polarised Sunglasses, Rectangular Polarised Sunglasses, Hexagonal Polarised Sunglasses** and more products. In the global markets, our products are popular under the brand name of Roadies.

We are continuously designing, developing and supplying sunglasses that are innovative, original, authentic and easily affordable. To create genuine quality of products, we use premium grade of material. Our talented team members keep creating different sizes, patterns and shapes of sunglasses so that, consumers can pick the best frame for themselves or their dear ones. Our firm follows strict quality policies according to which, we evaluate our products on several parameters before ensuring them for final supply.

## Market Awareness & Presence

Today, there are many brands that are popular for making classic quality of sunglasses. We keep ourselves well-updated with them through both online & offline markets to be aware of the choices and style preferences of customers. Being aware of the fashion accessory market has helped us in expanding our reach from local markets of New Delhi to all across India and abroad.

Besides national markets, we have built our strong presence in markets of USA, UAE, Dubai, Sri Lanka, Singapore, Nigeria, Russia and more where our products including **Hexagonal Polarised Sunglasses, Rectangular Polarised Sunglasses, Round Polarised Sunglasses** and others are appreciated & recalled constantly.
