About Us

Since 1998, we, **Shivansh Medical Services**, have been serving customers with **Emergency First Aid Kit, Customized First Aid Kit, Corporate Industry First Aid Kit, Aviation Industry First Aid Kit, Medical Items, etc.** Due to the quality of our offerings, we have made a reputed market image and emerged as a reliable **manufacturer, trader and wholesaler**. Our New Delhi, India based company has earned the trust of customers by consistently maintaining premium quality in our offerings. We never make any compromise on rules and regulations that are predefined for our domain and this has, in turn, resulted in our grand success.

Customer Satisfaction

We always pay attention on satisfying customers and retaining their trust. Over the years, we have served a huge number of customers and all of them are impressed with our products, policies and practices. We always deliver products on time and for this, we take help from renowned logistic companies who work 24x7 to make shipments on time and in a safe manner. In addition, we have joined hands with reputed vendors who deliver us the best material, which results in the production of quality array. Our company has successfully earned the loyalty of customers and developed a strong bond with them on the basis of its excellence in all spheres of business.

Rich In Experience

In the entire first aid kit market, we hold a strong reputation. We have been serving the industry and meeting requirements of customers, since 1998. The journey is long and has made us deal with numerous customers. In the journey, we have mustered a huge clientele, which includes many hospitals, nursing homes, corporate clients and many business dealers. Our experience has given us ability to better understand the requirements of customers and fulfill them.
