About Us

Sai Deepa Rock Drills Pvt. Ltd., since its inception in **2000**, has maintained the culture of innovation. Our highly trained professionals have developed some of the most technologically advanced Rock Drilling Tools and Mining Equipments in the market today, and thus have firmly established the company as a trend-setter in the infrastructure development industry. We are an eminent **manufacturer, supplier and exporter** of **DTH Hammers, DTH Bits, Extension Equipments, Drifter Bits** and related products used in Water Drilling, Mining, Tunneling, Quarrying and Construction Industries.

Our core values of quality, safety and environmental care are fundamental to all our operations. We aim to be the most customer responsive company in our industry, and therefore, we operate against clearly articulated and aligned objectives. Our management is sensitive to the clients and their needs. Our team of professionals creates and delivers products and concepts that build winning brand equities. Owing to our premium quality of products and prompt delivery, we have attained a wide customer base spread across **Singapore, Canada, U.S.A., Germany, France, Australia, Turkey, South Korea, Africa** and in different parts of the world.
