About Us

Gayatri Industries is a company that specializes in producing and supplying high-quality nails for various industries. We are working as a manufacturer, supplier, trader, and wholesaler in this domain. We use advanced technology and manufacturing processes to produce a wide range of Smooth Nail, Coil Nail, Ring Coil Nail, and Screw Coil Nail. These products meet the specific requirements of our customers and used in construction, woodworking, and other industrial applications. They are designed with care and possess features such as resistance against corrosion, hardness, durability, accuracy of design, etc. We typically offer a variety of nail in different sizes, shapes, and materials, and can also provide customized solutions to meet unique application needs of customers. Whether its for framing, roofing, siding, wooden work, or other applications, our nails play an essential role in ensuring that construction projects are completed efficiently.

With the aim of meeting customers demands for nails, we, Gayatri Industries are working from Morbi, Gujarat. We are manufacturing, supplying, and trading a wide range of nails such as screw coil nail, ring coil nails and others. These are precisely developed from top grade materials that are sourced from dependable vendors. The products are delivered throughout India, with the assistance of a distribution network. We have presence in all parts of India that allows us to cater to the needs of a large number of customers. We accept wholesale orders for the range, as we have an excellent production capacity. The company has several facilities that offer us bulk production of nails and a proper space to safely store and pack the range. From our set up, our products are delivered to the clients, based on their orders.
