About Us

S.K Enterprises deals in high-quality self-protection disposable products, since 2018. We have emerged as a renowned manufacturer and trader of reliable and secure products that are used in health care services. We provide supreme quality Blue Disposable Plastic Shoes, Face Masks, Black Color Surgical Masks, Bouffant Caps, Disposable Plastic Aprons, and many other items at an affordable price range. Quality is of paramount significance to us. We check all our procured raw materials and supervise the production phases to have the finest range. Before final shipments, all items manufactured by us are double-checked by our quality professionals so that only safely packed, and quality-certified items are provided to our customers.

We are managing all of our organizational processes flawlessly, under the guidance of Mr. Raja Rathor. He is rich in knowledge and help us offer highly affordable and profitable deals to our clients so that we can establish long-term business relationships with them. We strive to be highly professional, well-organized, and perfectly prepared at all stages of business so that we can provide a convenient and satisfying experience to each of our valued customers.
