About Us

Vinay Industries Limited is a Junagadh, (Gujarat, India) belonging agro-processing enterprise that is willing to meet potential market requirements. Our corporation was possessing only a crushing unit in the beginning but today after completing many years we own several technologically improved plants in the agro-processing domain. Soon after development of our first Solvent Extraction Unit in the year 1975, we formed our Refinery in 1976, which we appropriately updated in 1982. In the year 1992, our corporation excellently doubled its Crushing capacity.

In 2000, our enterprise successfully took over Gujarat Agro Processor, which was a unit of Gujarat Government located at Bareja close to Ahmadabad, which presently is the registered office of the corporation. Taking big steps towards the glory, the corporation formed two latest projects of Cotton Ginning, Pressing & Crushing unit as well as Wind Mill in the period 2006 to 2007. The business was incorporated as a Limited Company hence by successfully elevating from a Pvt. Ltd. Company in the year 2008.

We are excellently paying heed to the international trade by appropriately exporting our quality-guaranteed agricultural commodities such as Animal Feed, Edible Oil, Indian Raw Cotton, Spice, etc. Our impressive exporting operations are appreciated in the industry. We have been honored with the award of biggest exporter of Groundnut Oil from the IOPEPC.

Presently, our corporation as a manufacturer and exporter is gaining buyers satisfaction by providing goods which are in sync with quality expectations of the potential market. We store our products like Cotton Seed Oil, Sunflower Seeds, Groundnut Shell, etc., in large-scale quantity for matching needs of our local & international clients in a swift manner.
