About Us

Well-known as a trusted manufacturer and supplier, our company, Rajpal Aircon, is a sole proprietorship owned by Mr. Punit. We have been in the business for quite some time now, and we proudly state that we have achieved tremendous growth. We are famous across the entire nation for effortlessly and perfectly fulfilling the needs of customers for a range of Linear Fixed Bar Grills, Swirl Air Diffusers, Intake Louver Dampers, Unitary Type Vertical Air Handling Units, and other products. Perfect in design, superior in quality, and easy to install and maintain, these products are suitable for customers who are highly quality-conscious. Each product reflects true craftsmanship and is available to a wide customer base at convenient prices. With consistent hard work, we ensure that no customer leaves the organization disappointed and dissatisfied. Therefore, to date, we have a positive record of maximum customer retention and loyalty. Customers love us for our outstanding products and services.

Backed by a dedicated workforce, a state-of-the-art manufacturing unit, and many other robust resources, we, Rajpal Aircon, have been continually setting benchmarks in the industry since the day we stepped in. Today, we are reputed as a reliable manufacturer and supplier of a broad range of Unitary Type Vertical Air Handling Units, Intake Louver Dampers, Swirl Air Diffusers, Linear Fixed Bar Grills, and other products. We are contacted by a large pool of customers from all over the world to meet their demands for the aforesaid products. With business excellence, we work harder than usual to fulfill the needs within the specified time frame without compromising the quality of the products. There is no doubt why we are chosen repeatedly by customers when we do not back off from offering the best.
