Company Brief

Founded in the year **1995**, the pioneering Manufacturer and Supplier firm "**A & A Labels**", is changing the commercial landscape of various industries by introducing premium grade Packing Labels. We are at the fore of flexo-press printing and various other digital printing technologies in the country, which equips us to cater a wide assortment of quality products including Pharmaceutical Labels, Beverages Labels and Industrial Labels. We have solicited highly advanced printing machines from renowned sources to create exceptional quality labels that are widely acclaimed for the offered superior adhesion power, ease of use, all weather performance, long lasting tacking power, customizable range of color and designs, and cost competitiveness.

We seamlessly integrate the marketing and promotional needs of our clients and achieve most anticipated results by developing greatly finished labels for government organizations and for diverse industrial verticals include pharmaceuticals, cosmetics, paper and plastic, and packaging. Further, our proficiency to deliver best quality labels is based on the allied support of industry leading vendors and logistic companies that underpin our endeavors. Further, our holistic approach towards business policies has created enduring alliances with vast number of patrons from across the country, including leading brands, such as Cipla, All Out, Moserbaer, and Reliance Mobile.

The rich industrial expertise and visionary persona of "**Mr. Saurabh and Anubhav Jain**", guides us to lay focus on technological improvements that truly helped us to anticipate future and to nurture sustainable growth.
