Galvanized Steel Scaffold Planks

Scaffold planks by any other name:

Scaffold plank
Scaffold board
Scaffold walk board
Scaffold walk plank
Scaffold decking
Scaffold deck board
Scaffold deck
Scaffold platform

Galvanized steel plank description and sizing information.

American Plank supplies scaffold planks in 6 in and 9 in widths so scaffold gaps can be reduced to a minimum. All our planks meet or exceed OSHA and ANSI recommendations. Planks can be cut to any length to meet your specialized usage.
