# Welcome To Shree Gopinath Paper Mills Pvt. Ltd.

**Shree Gopinath Paper Mills private Limited** founded 2009, now we are a leading manufacturer and top ranking exporter in **INDIA** of high quality recycled unbleached Kraft paper used for packaging Industries of Corrugation Box purposes. We have been serving the packaging industry for more than nine decades by supplying consistent quality packaging paper in form of reels. We are manufacturing top class standard parameter testing products **Kraft Paper, Spiral Tube, Textile Cones, Paper Core pipe, etc.**

## About

**Shree Gopinath Paper Mills Pvt. Ltd.** came to foray in the year 2009, by the bunch of business stalwarts having string of successful ventures to their credit. Together applying that very business acumen, sense for industry trends along with insightful and sound understanding of the business set forth to realize their ambition of redefine paper industry with quality and better solutions.

**Shree Gopinath Paper Mills Pvt. Ltd.** come up with the eco friendly concept and working towards goal of converting waste in to wealth. we are manufacturing High Quality Kraft Paper Manufacturer for Packaging Industries, for manufacturing we use waste paper as raw materials for manufacturing our paper product and also company have invested huge amounts into latest New Technology and upgraded facilities to minimize the impact of our production discharge. We have established ourselves as a purely recyclers from the beginning by making our products from waste paper only and avoiding cutting trees or use of wood pulp to produce paper. Keeping in the mind, the government's initiative for using renewable sources and recycling of the materials, we at **Shree Gopinath Paper Mills Pvt. Ltd.** have developed green field project.

## About Paper Product

We are manufacturers of high quality Paper Cores, Paper Tubes, Textile Paper Cones, Edge Protectors. The Company has rapidly grown into a leading Paper Converting unit in India with the new technology latest model machinery and an experienced, dedicated team of staff and workers.

It caters to the packaging needs of a variety of industries like textile, paper, flexible film, laminates, coir, pump set and engineering. The manufacturing process is supported by stringent quality control procedures with sophisticated testing equipment to deliver products of consistent quality at the most competitive price and thus giving you the real value for your money.

## Our Vision

The vision is clear and straight: With keep on motivated on high quality, originality and innovative enlargement, the group visualizes establishing itself as the No. #1 manufacturing capacity of Single Craft Line Mechanism in India with best value products that can be used in worldwide various industries, We are manufacturers of high quality Paper Cores, Paper Tubes, Paper Cones, Edge Protectors. The Company has rapidly grown into a leading Paper Converting unit in India with the latest model machinery and an experienced,

## Totally New German Technology for manufacturing a Paper Products

Decorate your product for business grow with our high quality paper materials products

# Multi Layer High Quality Kraft Paper (Recycled)

**Manufacturing Multi Layer High Quality Kraft Paper (Recycled) 100 To 200 Gsm 16 To 24 Bf**

## Features

- Natural Fiber Strength
- Maintained Bf Always Plus Side
- Maintained Particular Gsm
- Good Rct
- Maintained Cobb Value
- Maintained Moisture
- Fine Finished Reel
- Easy To Converting in Corrugation
- Affordable Price

100%  
Recycled

## Application

Corrugated Packaging Industries  
(corrugation Box Manufacturing)

## High Ply Bond Quality Board Paper

**Manufacturing And Exporting High Ply Bond Quality Board Paper (Recycled) In Range 200 To 400 Gsm**

## Features

- High Ply Bond Board Paper With Natural Fiber Strength.
- Maintained Particular Gsm
- Maintained Moisture
- Maintained Cobb Value As Per Customer Requirement.
- Premium Quality
- Easy To Converting
- Affordable Price

## Application

- For Converting in to Paper Core Pipes
- Spiral Paper Tubes • Textile Paper Cone
- Honey Comb Pellet • Drum • Container Etc...

# Core Pipe / Spiral Paper Tube

Manufacturing And Exporting Multi Colour, High Compressive Strength Good Quality Spiral Paper Tubes And Core Pipes As Per Customer Requirement it made from High Technology Fully Automated Machine

## Features

- High Compressive Strength
- Premium Quality
- Easy To Maintain
- Fine Cut Finished
- Affordable Price

## Dimension

Inner ID 38mm to 406mm  
0.5 mm To 18 mm Thickness  
Length Up To 5 meters

## Applications

- Bopp Films
- Polyester Film
- Multi Layer Film
- Aluminum Foils
- Self Adhesive Tapes
- Paper Mill
- Textile Industries
- Packing Of Non Woven Fabrics

# Textile Paper Cone

Manufacturing And Exporting Premium Quality Textile Paper Cone In Multi Colour And Multi Design, Valved Finished Super Strength, It Made From Fully Automated Technology Machine

## Dimension

Size 4x20, 5x57, 3x30 Velvet Finished Various Design And Various Color

## Feature

- Using Standard Inks For Printing Design Of Textile Paper Cone So It Can Not Spread In Humidity
- Premium Quality
- Super Strength
- Easy To Maintain
- Affordable Price

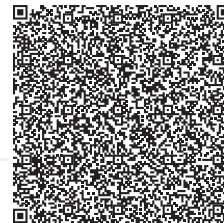

## Application

Textile Yarn (spinning Mill)
