

**SunFit**<sup>®</sup>  
Bath Fittings

PRODUCT Catalogue 2019

AQUATIC  
FRESHNESS  
EVERYDAY

QUALITY  
MADE BY SUNFIT  
DESIGNED FOR LIFE

We work hard to exceed your  
expectations in everything we do.

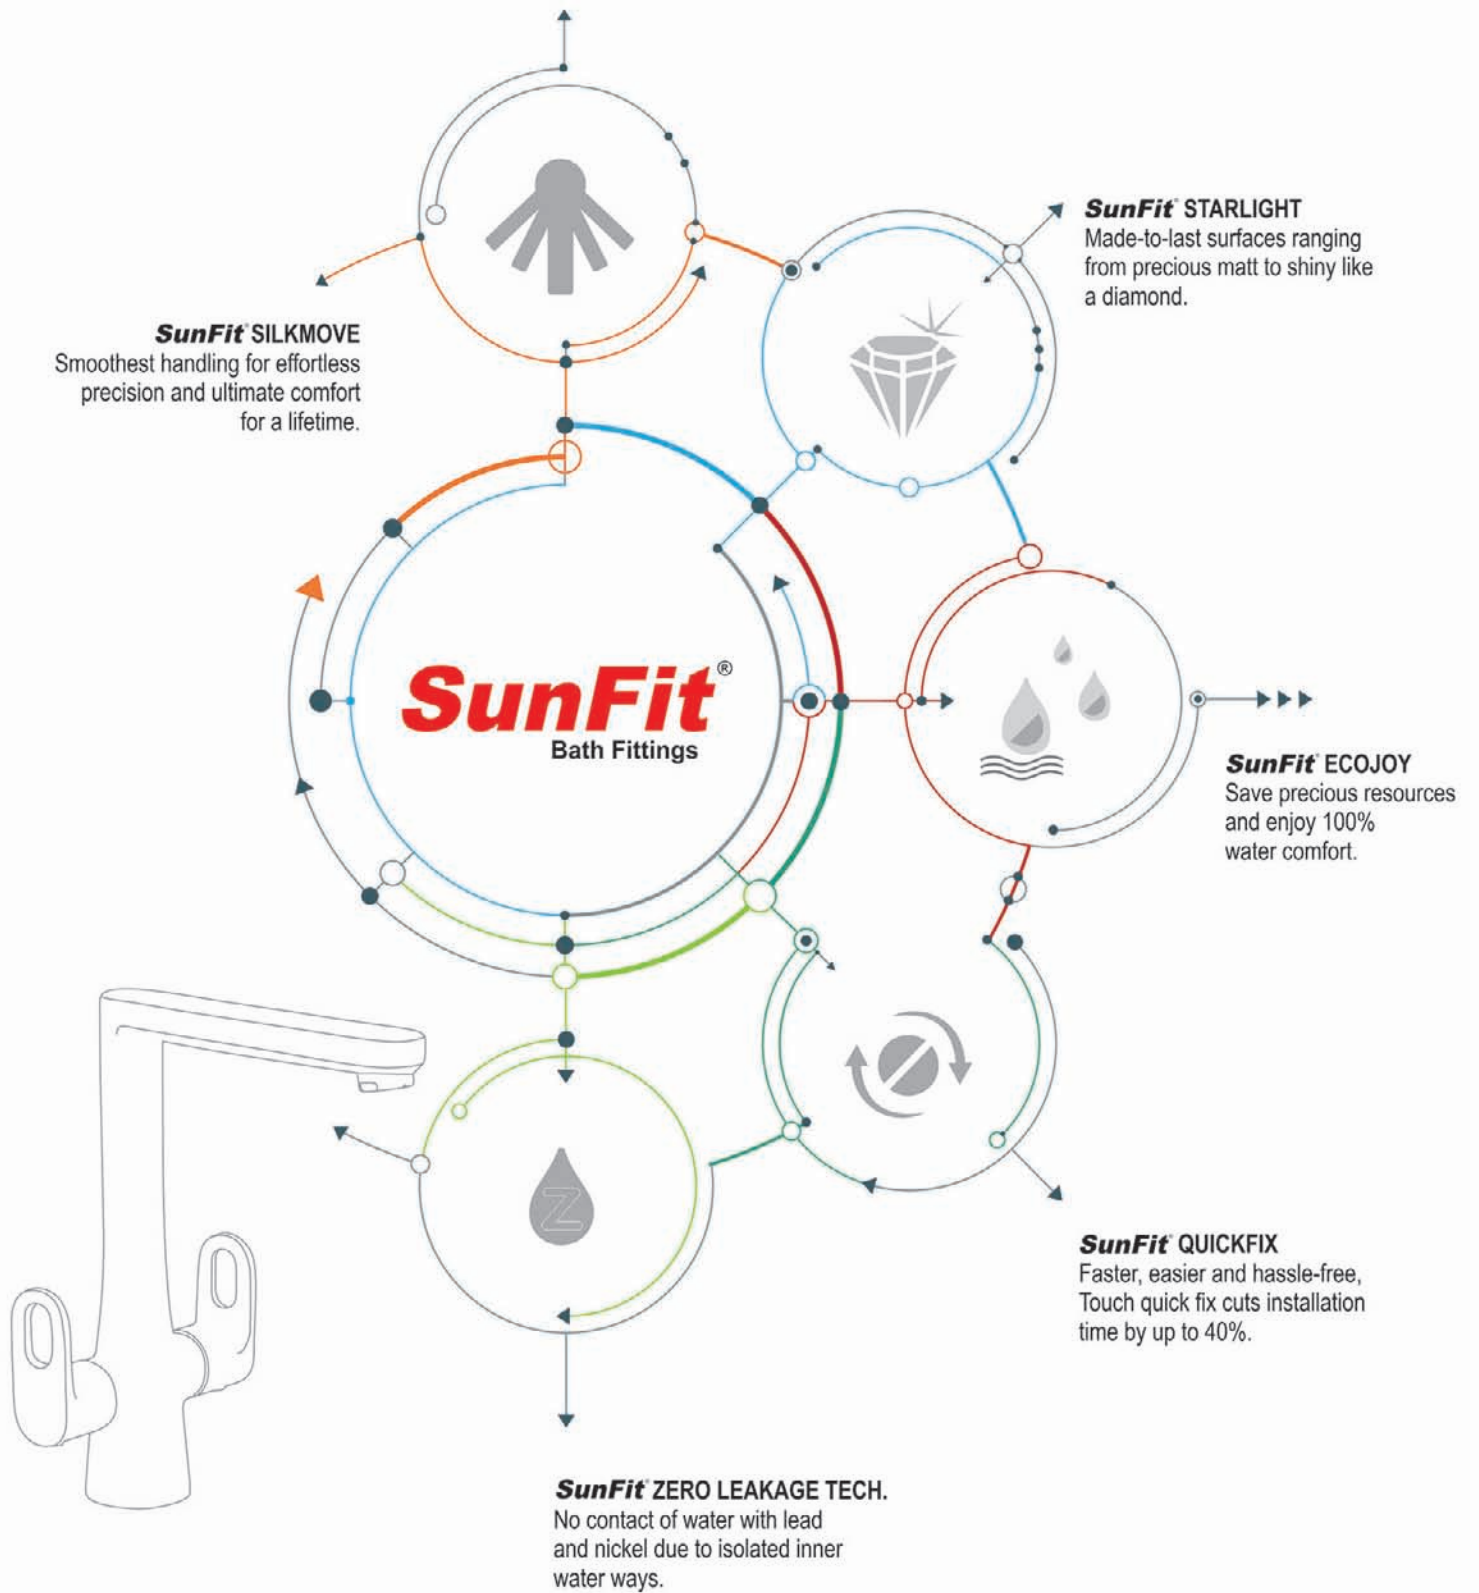

**SunFit**® created a special niche for itself as a manufacturer and exporter of bath fittings in the Indian market. In little over a decade of its existence **SunFit**® has emerged as technology led company. Now it boasts of state of art manufacturing and more importantly an all encompassing engineering and development mind set.

**SunFit**® is one of the very first brands in its industry to recognize the necessity of providing the average Indian discerning customer the benefits of assured quality, convenient features with quick and satisfying after sales service which is powered by extensive product development, backed by the state-of-the-art production facilities and supported by a vast marketing network. Acknowledged as a key innovator in the industry, **SunFit**® has revolutionized the designs and utility patterns of bath fittings in the country. At

**SunFit**®, technology is the prime enabler the force that drives the company to new heights. Constantly keeping abreast of the latest international developments in the industry is an integral part of the **SunFit**® tech spirit and the knowledge derived from this attempt is channeled into a steady stream of innovation that seeks to give its customers the very best in terms of range, quality and aesthetic appeal.

INTELLIGENT TECHNOLOGY  
FOR BATHROOM AND KITCHEN

## CARTRIDGES

- The heart of every faucet the cartridge is responsible for controlling water supply.
- **SunFit** cartridges are 6 lacs cycle tested to give a longer and trouble free operating life up to 20 years (considering 60-70).
- Wide angle of lever provides ultra comfort and flawless, smooth operation.
- Our cartridge spindle is made of brass instead of plastic, to avoid breakage.
- Work smoothly even at high temperatures (85 degrees) and in various pressure conditions (0.5-b bar).

## AERATORS

Devices that mix air with water to give high flow

- Our integrated **Honeycomb** Laminar structured aerator provides protection from lime buildup.
- The exquisitely designed aerators helps in decreasing over all water use.

## CHROME FINISH

Upper shine protection layer provides a mirror finish to every faucet.

- High plating thickness (Nickel : 10 microns and Chrome : 0.3 microns) provides tolerance to extreme climate and water conditions.
