## About Us

The scarcity of quality auto rickshaw hoods has led us **Samat Enterprises**, into this business. We have been producing a wide range of Auto Rexine Hood, Printed **Auto Rickshaw Hoods**, **Yellow Rickshaw Hoods**, **Blue Auto Rickshaw Hoods** and many more since our inception. The main motto of the company is to work with perfection and offer impressive hoods in the market. The designed hoods are manufactured by following international quality norms so that it can be used widely and serve durability. Relying on our large production capacity, we are capable to undertake bulk orders and deliver them on time. With our strenuous efforts and quality production, we have carved a prominent image in the market.

Since the establishment of our organization in **2012**, we have been working with the support of our Mentor, **Mr. Dyaneshwar**. With his able guidance, we have made great success in the market place. He used to guide the management to follow all the required ethical work policies and also promote training session for teams to enhance their knowledge about the products.

The company is banking on its state-of-the-art infrastructure that is installed by an array of machines required for effective production. Our management takes complete care of all the in-house processes. In order to have the progressive development of the products, they have divided the premises into different wings. It also help us to achieve the set target within stimulated time. We have a separate department for quality analysis, where all the raw stuff and furnished items are tested completely. It is done to make sure that, we are using good raw material for production which further result in manufacturing of an excellent range.
