## **ABOUT US**

We are a medium to high volume screw machine parts and components supplier who produce precision turned components to specific drawing tolerances. Due to sound engineering and innovative flair, we can solve manufacturing requirements of the most technically demanding parts.

We believe in enhancing human resources assets value for continual improvement in product quality. Periodic training is provided to all employees to make things Easier, Faster and cost effective. Periodic measurement of employees, customers, contractors and all those who might be affected by our business activities.

## **WHY US ?**

- Customized Products
- Skilled Engineers/Labour
- Quality Product
- On Time Delivery
- An Effective Service
- Competitive Prices
- Ferrous and Non-Ferrous material components are manufactured

## **PRODUCT RANGE**

- Precision Turned Components
- Industrial Assemblies Components
- Auto Components
- Electrical Components
- Forged Components
- Fasteners
- CNC Turned Components
- Sheet Metal Components
- Aluminum & Stainless Steel Components

## **SPECIAL FEATURES**

- Any kind of special turned parts can be developed as per customer's drawing or specifications.
- All types of threads (ISO Metric, BA Threads, BSW Threads, UNC UNF Threads, Trapezoidal Threads, and other as per customer requirement)
- Thread size from M4 to any size as per custom design or requirement.

## **FINISHING AND COATING**

- Natural
- Chemical Cleaned
- All types of Plating
- Powder Coating

## **MACHINE EQUIPMENTS**

- CNC Automatic Turning Centre
- VMC Automatic Milling Machine
- DRO Milling Machine
- Traub Automatic Machine
- Lathe Machine
- Special Purpose Milling Machine
- Automatic Bend Saw Machine
- Tool Grinder
- Hand Press
- Polishing Machine
- All size and types of gauges and quality control equipment

## **QUALITY ASSURANCE**

- Quality Planning
- Test Equipments
- Training
- In-Process Inspections
- Equipment Calibration and Maintenance
- 100% visual inspection to ensure 100% visual defect free products
