A truly reliable digital duplicator for effective printing

Copy directly from books and magazines to produce high-speed, low-cost A4/B4 copies and prints. Easy-to-use, very economical on the long run and network connectivity available. On top of that it gives you superior reliability and environmental value.

- Speedy performance and user-friendly functions that meet user needs.
- Superior reliability and environmental value.
- A device to depend on for high-volume printing.

Fast, durable and cost-efficient

Outstanding productivity & quality

The DD 3324/DD 3344 offers an exceptional output speed of 130 pages per minute, which helps high-volume printers maximise their productivity. In addition, both A4 and A3 input can be handled easily and the device fits on a desk close to the operator. Thanks to Ricoh's increased scanning resolution of 600 x 660 dpi, the results truly stand out.

Reliability

You need real reliability for high volume printing, and with this device, that's exactly what you get. A dependable workhorse, it will keep your everyday operations running smoothly.

Cost savings

The DD 3324/DD 3344 has an excellent cost per page level. The longer the print run, the lower the individual cost per page. On long runs, the cost per page reduces and can fall quite well.

High environmental rating

Meeting the requirements of the International Energy Star program and complying with the standards of Electronic Product Environmental Assessment Tool (EPEAT) environmental rating system, this device has impeccable green credentials.
