# COMPANY INTRODUCTION

Founded in 1989, after 30 years development, M&Z has become one of the biggest furniture manufacturers in China. There are more than 2000 M&Z showrooms, 800,000 square meters mega modern factories and two design centers located in Italy and China.

"Create unique experiences, Leading the modern home life style", with this mission we continually improve our production line with cutting-edge automation system pursuing to create the best quality, environmental friendly, energy-saving products. Our product covers: home, office, hotel furniture, customized furniture and household appliances. We developed abundant products: more than 10000+ items, and 20 styles launched to the market: Modern style, American style, Japanese style, Neo-Chinese style, Classic style, etc. Most of the items we retain abundant stock to rapidly respond to customer needs.

The company's marketing and service headquarter is located in Chengdu, China, well known as Panda's hometown. Our most talented designers constantly bear "Create a trend, inspired by life" in mind and keep us staying on top of the trend. "Quality is foremost", with years devotion, our test center had been granted as "National Enterprise Technology Center(CNAS)". M&Z brand has become Chinese Well-known Trademark, earned numerous titles and awards.

We are making transformation from "a furniture manufacturing enterprise" to "a home integrated service provider". We are looking for agents and distributors in countries of Asia, Africa, Middle east, South America, Europe. To bring M&Z brand to the world.
