## About Us

Leveraging our unrelenting hard work, expertise and strong commitment of our workforce, we, **PAM EQUIPMENTS**, have acquired top-notch position in the national as well as international markets. Established in the year **2016**, we have been a quality-focused manufacturing company engaged in developing a broad range of metal detectors. We are well-known as one of the leading **Manufacturers, Exporters and Suppliers of Metal Detector Machine, Tablet Metal Detector, Food Metal Detector**, Pharmaceutical Metal Detector, Industrial Metal Detector, etc., which are designed with advanced sensors to efficiently detect metal even if it gets concealed behind the surface. These products are manufactured in compliance with the set industry norms and standards. The aforementioned types of metal detectors are commonly used for detecting undesirable metal or metallic objects in food as well as pharmaceutical industry.

To get impeccable quality metal detector, we make use of innovative devices and latest technology like capacitor and amplifier which are procured from authorized vendors of the market. This helps us in making sure improved quality standards in our range. We also make an attempt to authenticate the design, conductivity, permeability and performance of detectors to make sure better and exact output. We comprehend technology as well as client's requirement; therefore provide the inexpensive yet optimum-quality detectors for sufficing different object detecting applications. We put our best efforts to provide the detectors capable of differentiating the varied kinds of metal as well as metallic objects.

## Key Facts

**Nature of Business:** Manufacturer, Exporter, Supplier

**No. of Employees:** 15

**Year of Establishment:** 2016

**Warehousing Facility:** Yes

**No. of Engineers:** 02

**Company Registration No:** 36317093614

**Some Major Clients:** Food Industry, Pharmaceuticals

# Our Products

**Metal Detector**

**Gravity Feed Metal Detector**

**Sea Food Metal Detector**

**Stone Crusher  
Metal Detector**

**Tablet Dedusting Machine**

**Mini Scan Metal Detector**

**Micro Scan Metal Detector**

**Pharma Metal Detector**

**Liquid Line Metal Detectors**

Digitech Pharma Metal Detector

Checkweigher Machine

Industrial Metal Detectors

Deduster Pharma

Ferrous Metal Detector

Digitech 75 Metal Detector
