**PVC SELF ADHESIVE ELECTRICAL INSULATION TAPE-FR**

---

## HS Tapes

We, **HS Tapes**, started in the year **2014**, are the manufacturer of a broad range of Polyester and Transparent Tapes. By using processing equipment, our vendor's experts process these products in adherence to the set industry standard. The offered range of products is safe for use. As some specific industrial applications may require these products in different specifications other than the standard one, we facilitate customization specification to our entire range. In this way, we offer our products in standard specifications as well as custom designed descriptions. Our immense experience & resources facilitate us to take up the orders for customized products in electrical insulation class, thickness, width, length, etc., are the main functional areas where customization can be provided.

With the help of our vendors, we have been able to fulfill the bulk demands of products within the assured time limit owing to our high production capacity. Our professionals are highly qualified and experienced. They are surviving hard in order to keep the quality as per set quality standards. Our professionals work in very close coordination with our clients to understand their demands. Moreover, we are offering these products in various packaging options to fulfill the client's requirements.

Managed by our mentor, **Mr. Sanjay (Manager)**, we have been able to cater to huge customers across the nation. They with his experience have helped us in values the trust of our valued clients in the most efficient way.

## Our Team

At HS Tapes, we have been able to fulfill to the requirements of our valuable customers in the most efficient way. We have hired a team of skilled professionals such as chemists, pharmacists and other supporting staff. Hold experienced in their domain of operation, our company personals are provided with regular training.

## Why Us?

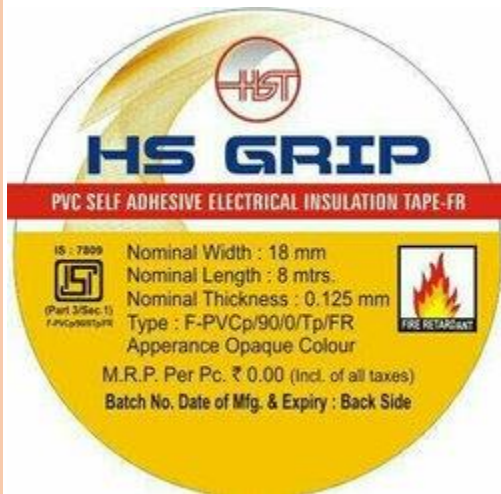

Rahul Enterprises believes in setting up a long-term relationship with our customers. For this, we provide our clients with high-quality products at affordable rates. We have been able to meet the bulk orders owing to our large processing capacity.
