

*Apex International*  
GOVT. OF INDIA RECOGNIZED EXPORT HOUSE

# About us

Apex International (established 2005) is a fast growing, Government of India recognized 'Export House', dealing in production and exports of a wide range of medicinal herbs, spices, honey and oils. We deliver certified quality agro products, sourced directly from farmers / plantation owners and processed at company-owned production facility (2,000 square yards, WHO-GMP & ISO 22000: 2005 certified). We source in bulk and offer fairly competitive prices to our customers. We have built strong relationships with our customers and expanded our delivery base into North America, Eastern Europe, Middle East and Asia-Pacific. Apex is owned and led by professionals who bring deep expertise and knowledge about products and export processes.
