

SCHICKWHEEL

The Riding Kitchen

ABOUT US

From scratch to a catch, we'll take care of your complete solution for mobile kitchen whether its exterior or interior.

Our company being a startup is always ready to go an extra mile to get the high quality work done. Our mobile kitchens will fly high on wheels through sharing schemes for all the ODC's, corporate catering, supplement of base kitchens, retails, events & QSR's.

We aesthetically designed our kitchens in the shape of food trucks, kiosks and trailers for experiencing magical moments. Pass on your tensions to us and relax as we team Schickwheel are there by your side to help you achieve your food truck dreams.
