

KUNAL STAMPINGS PVT. LTD.

Manufacture and supplier of :
Wide RANGE of ELECTRICAL LAMINATION CORE

All products Available in 0.35mm and 0.5mm thickness in CRNO & CRGO

All Kind of Electrical Lamination Core (stamping) for :

- Transformer
- UPS Stamping
- Inverter
- Servo Stabilizer
- CVT Transformer
- LTL Core
- Distribution Transformer
- IGBT Transformer
- Transformer for Tele Communication
- Three Phase Transformer Core

E&I Core

U & I Core

CVT Core

Three Phase Core

Lamination Strip with Hole

A range of next generation transformer & electrical stamping and allied products...

About Us

We are a world class business entity with a distinguished track record spanned over a decade. **Kunal Stamping Pvt. Ltd.** was established in the year 1990 and since then, it has been taking galloping steps towards success displaying the brilliance of technical expertise, innovative ideas and uncompromising quality centric approaches. For us, the ultimate goal is to cater to the requirements of our valued clients and offer them a cost effective and reliable solution. We are engaged in the industry as the **manufacturer, exporter and supplier of All Kinds of Transformer and Electrical Stamping.** In addition, we play a forerunner role as an **importer of highly advanced Transformer Stamping, UPS Stamping, Servo Stabilizer Stamping, Transformer Stamping, Distribution Transformer Stamping, IGBT Transformer Stamping, Transformer Lamination Core, Motor Stamping, Electrical Coil Raw Material and Lamination Core Raw Material, etc.** from the international market. We are At present, our market base is spread all over the country and the number of our clients are increasing everyday due to our customer centric approaches.

We maintain international quality standard with all the products we design and develop at Kunal Stamping Pvt. Ltd. In addition, the products we source from the overseas market are also of premium quality as we collect them from some highly reliable and internationally acclaimed manufacturer. As a result of such quality driven attitude, we are today regarded as one of the most prominent brands both at the domestic and international level. Our products are highly advanced, always coming up with novel features, and designed for a lifetime. They require less maintenance and offer the best performance. Our company is a recognized member of Bawana Industrial Welfare Association. At present, we have a long list of highly reputed clients which includes :- Hindustan Power Products (P) Ltd., Tru Sine Electronics Pvt. Ltd., Electric Industries, Elmas Magnetics Pvt. Ltd. (Hyderabad), UTL Inverter.Com, Blu Line Power Pvt. Ltd., Vinod Electricals (EXCIDE), Pole Star Power Industries Pvt. Ltd., Power Cube Transformers, Electro Engineers, etc.

Our Product Range

Kunal Stamping Pvt. Ltd. is a highly reputed manufacturer and exporter of a wide range of electrical products. The product range of our company can be categorized as the following :-

All Kinds of Lamination (Stamping) for

- Transformer Stamping
- UPS Stamping
- Inverter
- Servo Stabilizer
- Transformer
- Distribution Transformer
- IGBT Transformer
- Sleated Coils

Typical Electrical and Magnetic Properties
