

# Direct Castable Resin

Making Your Belief Strong In Us, After Every Deal

1 Kg 3Dware Resin, 1 Kg Direct Castable Resin, 10 Kg DC Poly Resin, 10 Kg DC Wax Resin, 10 Kg GP LC Resin, 1000 Gm DC Poly Resin, 1000 Gm DC Wax Resin, 1000 Gm GP LC Resin, 1000g G-Dent Resin for 3D printing, 1000g GP SD Resin, 1000g M-Dent Resin For 3D printing, 1000g PRO-Flex Resin For 3D Printing, 1000g PRO-LB Resin For 3D Printing, 250g DC Poly Resin, 3500 Layer Per Hour Dlp 3d Printer, etc.

**3D PRINTING RESIN**

**1 KG DIRECT CASTABLE RESIN**

**3DWARE RESIN FOR 3D PRINTING**

## About Us

AM Prototyping Labs Private Limited, is a manufacturer and supplier for industrial additive manufacturing systems, was founded in 2014 and has its headquarters in Mumbai, India. Our primary market segments are jewellery, dental, and hearing aids. We are developing tools to assist engineers and designers in the creation, testing, improvement, and production of working prototypes and parts. Our collection includes GP SD Resin, M-Dent Resin, Jewellery CAD CAM Machine, CAM 3D Printer, DLP Platform and more. With build speeds of more than 100mm/hour, our machines have completely changed the way master patterns are produced. Because of this, our flagship model, the Alpha™, is the quickest jewellery 3D printer on the market. All of our products can operate around the clock, demonstrating the utmost reliability of our machinery.

AM Prototyping Labs Private Limited is known among customers for offering products like Ultrasonic Cleaner, Resin Tank, UV Oven, CAM Machine Printing Software, PRO-LB Resin, etc. At our production house in Mumbai, Maharashtra, India, we have the best production facilities that enable us to design and develop quality assured products. Since 2017, we have been associated with this domain and have always served our clients up to the mark of their expectations. Choosing us has always proven right choice for customers to get value for their money.
