About Us

Ocean Steel Industries is a trusted manufacturer and supplier of high-quality prefabricated steel structures, offering reliable solutions for industrial, commercial, and storage needs. Since our establishment in 2017 in Jaipur, Rajasthan, we have been committed to delivering durable, cost-effective, and innovative prefabricated construction systems that meet the growing demands of modern industries. We specialize in designing and manufacturing a wide range of prefabricated structures including Prefabricated Industrial Structure, Prefabricated Warehouse Structure, MS Prefabricated Building, Commercial Cold Storage Room and Prefab Warehouse Shed. Each product is developed with precision engineering and advanced technology to ensure robust performance, long service life, and seamless installation. Our prefabricated solutions are widely appreciated for their flexibility, strength, and ability to adapt to different industrial applications.

Quality is our foundation. We use premium-grade raw materials and follow strict quality control processes throughout manufacturing. Every structure is tested for durability, load-bearing capacity, and compliance with industry standards. By maintaining rigorous quality checks, we ensure that our prefabricated solutions provide superior performance and complete reliability, giving clients the confidence to invest in long-lasting infrastructure.

Key Facts

No of Staff	10
Year of Establishment	2017
OEM Service Provided	No
Monthly Production Capacity	as per customer requirement

Our Products

Pre Engineered Building Structure

Prefab Warehouse Shed

Prefabricated Warehouse Structure

MS Prefabricated Building

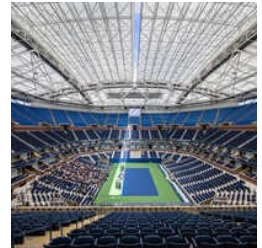

Prefabricated Industrial Structure

Modular Prefabricated Building

Industrial Warehouse Shed

Prefabricated Indoor Stadium Structure

Pre Engineering Building

Prefabricated Metro Stations Structure

Prefabricated Petrol Pump Structure

Prefabricated Stadium Structure

Commercial Cold Storage Room

Industrial Cold Room

Modular Cold Storage Room

Prefab Cold Storage Room
