About Us

A company's expansion depends upon the quality it serves in products. Keeping this fundamental factor of business expansion in view, we, at Om Pipe Industries, are designing and developing sheer quality products. Our 1997 formed company, engaged as a manufacturer and supplier in the Indian industry is experiencing great highs in the sector by introducing dimensionally and functionally perfect RCC Pipes, RCC Manhole Cover, Main Hole Covers & Frames, Gully Gratings, Kerb Stones & All Precast Products along with a host of other products.

We are regarded one of the best supplying companies of RCC pipes in Sonipat, Haryana, India. Never have we ever ignored the importance of quality and it is because of this reason, we are appreciated by our large customer base. From using premium grade reinforced cement concrete to proprietary vibration technology and maintaining quality standards in the entire engineering process, we have been doing it all to ensure perfection in our array. Our large array of pipes is developed in numerous sizes, shapes, ranges and diameters so that our customers can perform industry specific job work smoothly.
