About Us

There's a pure bond of love between tea and its drinkers. Tea, in several parts of the world is not just a beverage that is consumed on a daily basis but a celebration and ritual. Whether we need a moment of relaxation or indulge in a gossip session during break, a cup of tea is undeniably the most accompanied partner of people. Knowing the high importance quality tea, a lot of companies indulge in its production and sale but only a few manages to win hearts of clients. We, Palak Tea Co., are glad to be a famous tea supplying company. Embracing roles of exporter, retailer and trader, we are climbing ladder of success in high speed. Quality and taste are two winning factors of our offered Organic Premium Tea, Natural Regular CTC Tea, Family Mix Blended Tea, etc.

As a quality-conscious manufacturer, we bring forth Premium Tea, Regular Tea, Delight Tea, etc., of superior kind in terms of aroma and taste. We take high pride in being the favorite choice of customers residing in and across Siliguri, West Bengal, India, because of our excellent business capabilities. Whether its manufacturing, trading or retailing, we ensure to execute all business operations with sheer dedication. Our company maintains a huge stock of all kinds of tea so as to timely suffice bulk requirements of customers. As we believe in the notion of serving high on quality tea, we practice stringent quality control practice. All products undergoes a wide series of quality based tests before shipment. This assists us to serve our valued customers nothing below the best.
