About Us

Partitions are helping spaces to be tidy, organized and compact. Many modern age businesses and even residential sites are investing in prefabricated partitions for hassle-free operations. Realizing that partitions are a reality of modern living/working, we, K.D.Trading Company, have made an impact worth-appreciating as a manufacturer, retailer and supplier in this challenging business area. We are providing compact yet stylish partition solutions in the most compelling finishes for meeting demands of our valuable customers. The range supplied from us, is Aluminium Sliding Doors, Fixed Aluminium Windows, Glass Partitions, etc.

Our Indian company has a designing and engineering team that takes into account requirements for sturdiness, spaciousness, functionality and appearance into consideration for the fact that customers prefer perfection. We are maintaining a matchless variety of solutions for a plethora of places including but not limited to homes, warehouses, factories, hotels, offices and many others. Our company as a service providing firm provides value for money solutions to clients like Aluminum Partition Work Service and similar more.

When it comes to making a space exhibit usefulness, be more dependable on use of windows, doors and partitions. Having such constructional items by side, making any kind of space look near to perfection is not difficult for a common man. We have entertained customers demands all these years owing to our experience in offering services and products in the excellent manner. We are supported by a group of vendors in the industry that allow us to meet our raw material need with ease. They provide us with their support in meeting our manufacturing requirements in the most perfect manner possible. Having vendor support by our side, we meet needs of our finished products such as Aluminum Partitions, Wall Panels, etc.
