HIGH VOLUME LOW SPEED FANS

About Us

Crystal Ventilations Pvt. Ltd. Is reckoned among the leading manufacturers and suppliers of exemplary range of Variable Airfoil Profile Axial Impeller, Reversible Profile Axial Impeller, Fixed Pitch Airfoil Profile Axial Impeller, Silent Right Profile Axial Impeller, and Aluminum Sickle Profile Axial Impeller. We are a Pune-based company that has been engaged in designing and production of the aforementioned range for more than a decade now. During the last decade, we have received huge market receptivity and accolades for the quality, performance, durability, and reliability of our products. The customers who have bought our products have always given us positive reviews. Our expertise and comprehensive technical knowledge of all the products set us apart. We have been working with a focus on continuous improvement in the products and processes.

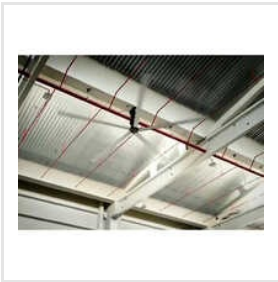

Driven by the passion to serve customers with quality products, we, Crystal Ventilations Pvt. Ltd., started our business venture in the year 2012. We are a Pune-based manufacturer and supplier of impeccable quality Air Handling Ventilation Unit, Brass Crimp Fittings, Brass Compression Fittings, Industrial Air Handling Units, and Industrial Fire Protection Systems. Our products are designed for use in heat exchangers, cooling towers, motors, and various others. We have earned the trust of our customers because of our remarkable business approach. Our approach has been very simple ever since we began our business. We focus on designing and manufacturing impeccable quality products at reasonable prices. Such a business approach has sustained our growth over the years. We have registered good growth year-on-year ever since we began our journey.
