## About Us

Ventus Pharmaceuticals Private Limited was established back in the year 2009 at Chandigarh which is a known ISO 9001:2015 certified company. We are a leading PCH Pharma Franchise Marketing corporation which is dealing in a wide range of Pharma PCD and Nutraceutical Products; attained strong foothold in the market in a very short span of time reflecting that we are a fast growing entity. Today, our company has surpassed several milestones to become one of the prominent pharma companies. The primary goal of our firm is to increase the access to highly effective healthcare products by developing, marketing and manufacturing affordable drugs in the international market. Our industry achievements and technical abilities as PCD Pharma Company help us in marketing our brand name across the domestic market.

Ventus Pharmaceuticals Private Limited is a name extensively renowned in the pharmaceutical industry for serving customers medicinal and allied products. Serving in each corner of the India, all the way from Chandigarh, we ascertain that the demands of our clients are always fulfilled in a timely manner. We were incorporated in the year 2011, with an aim to cater to clients the most praiseworthy quality medicines at prices they can afford with ease. Exceeding the expectations of customers is a forte of our company. We follow a qualitative approach which makes us a company worth to rely upon and treating our clients rightly is an attribute for which we are praised.
