About Us

Reputed company that came into being in the year 2002, offers its wide impressive range of Polisher Dust Collector, Gold Plating Machine, PP Settling Tank & Magnetic Polisher, Vacuum Wax Injector, Digital Vacuum Wax Injector, etc., under its own company name Jewel Cast (Brand). In this period of 5 years, our brand has attained huge market appreciation for being the single reliable source from where superior in functionality, unmatched in quality and super in finishing Jewellery Machine, Casting Machine and much more can be availed. We are a reliable manufacturer, who before rushing hurriedly into production for attaining competitive advantage, conduct deep market studies in order to design and develop offerings in sync with customers' preferences. Our business entity has adopted several customers-focused approaches to increase contentment level of clients. We have formed alliances with few of the renowned transporting agencies that aids in doing swift deliveries to near and far places.

Truth lies in this line- Enterprises are bound to outperform when backed up by a sound and modern infrastructural space. We are proud to boast about having spacious infrastructure set-up that assist in carrying out diverse business operations hassle-freely. Quality, marketing, administration, sales, packaging and manufacturing departments are outfitted with requisite tools, equipment, machines, computer systems and basic amenities which makes working easier. Our existing clients repeatedly place orders to us due to timely delivery of consignments which is made possible due to voluminous production area and adoption of innovative manufacturing processes. Our warehousing facility is connected to various modes of transportation. This aids in seamless transition of products.
