About Us

Banking on years of rich industry experience and robust resources, we, Krishna Industries, have secured a reputed position for ourselves in the industry. Due to our extensive expertise in the field, we have been effectively satisfying the needs of a large clientele for Plastic Dome Nuts, Red Silicone Sheets, Bridge Expansion Joints, Delrin Rods, and other industrial products for the longest time now. Today, customers know us as one of the prominent manufacturers, suppliers, traders, and exporters in the market. Our strong commitment to customer satisfaction leads us down the path of success. We make sure to go to lengths to serve our prestigious customers with nothing less than the best. In addition to serving a world-class product range, we offer them a worthwhile experience as well, comprising on-time delivery of orders, reliable customer care support, easy modes of payment, etc. Hence, there is no doubt why customers count on us whenever a need for the aforementioned products arises.

Krishna Industries is a Noida (Uttar Pradesh, India)-based manufacturing company that also serves as a trader and exporter. Established in 2001, we specialize in a broad range of Delrin Rods, Bridge Expansion Joints, Red Silicone Sheets, Plastic Dome Nuts, and other products. It has been more than two decades since we have held the position of a trusted provider of the aforementioned products in the market. Customers from diverse regions trust no one else but us to satisfy their requirements. Being number one in our domain, we endeavor to provide them with a mind-blowing product range coupled with a satisfactory customer experience. From smooth onboarding to timely delivery of orders, at every level we ensure our customers as many advantages as possible, making them proud of their decision to connect with us.
