About Us

KLR Industries Limited is a widely popular name in the industry for offering a cost-effective range of unparalleled quality products. The products we deal in comprise Core Drill Rigs, Rock Rollers, Metal Hammers, Hydraulic Cylinders, and many others. Since the beginning, we have been focusing on proving ourselves as one of the best manufacturers and suppliers of the aforementioned products. However, over the years, we achieved our aim and established ourselves as one of the most trustworthy companies in the market. We are committed to meeting the highest standards of quality across our products and are financially strong enough to offer them at a price that is affordable to all.

Therefore, for these two features, price, and quality, in addition to a satisfactory customer experience and transparent business practices, we are the most preferred choice of customers all over the nation. Customers trust us more than any other company in the industry, and we consider it one of our big achievements.
