About Us

Enriched with extensive industry experience as well as backed by a world class infrastructural facility, we, **Sabar Scientific**, are catering to the ever rising needs of scientific or laboratory instruments. We embarked on our journey in 1972, and since then we have grown by leaps & bounds owing to our unwavering efforts to meet clients' requirements. With over 3 decades of experience, we have become the one of the most reliable entities in the domestic and international business arena. We are recognized as the leading manufacturer, **exporter** and **supplier** of a wide array of Laboratory Equipment.

he products manufactured by us include **Laboratory Glassware, Glass Blown Apparatus, R & D Assemblies, Pilot Plants, Pipe-Lines & Production Units, Laboratory Equipment / Instruments**, and more. We have acquired specialization in manufacturing Borosilicate Glassware & Glass Apparatus according to the clients' specifications. Our excellent ability to meet the client specific needs has enabled us to garner a wide customer base across Australia and Gulf Countries. In addition to above mentioned products, we also assist our clients in **Setting-up Laboratories, Installing and Commissioning R&D, Pilot Plant Assemblies/Units** for various chemical processes or reactions.

Sabar Scientific is a certified manufacturer, supplier and exporter of laboratory glass instruments and laboratory glass equipment. Our company is based in **Ahmedabad, Gujarat (India)** and is committed to serve the best products to customers. Our plant has an array of modern machinery and tools installed so that the workers are able to fabricate **Laboratory Glassware, Fractional Distillation Unit, Laboratory Equipments / Instruments, Glass Funnels** and allied products without any hassles and in the required quantity within the given frame of time.

Key Facts

Business Type	Exporter, Manufacturer, Trader & Supplier
Export Percentage	70%
No of Staff	18
Year of Establishment	1972
No of Production Lines	01
Export Markets	Australia & GulfCountries
OEM Service Provided	Yes

Our Products

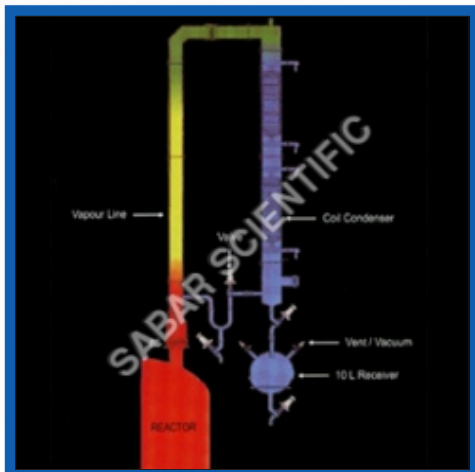

Aspirator Bottles with Outlet for Rubber Tubing

Reagent Narrow Mouth With Flat Head Stopper

Glass Reagent Bottle

Condenser Over Glass Lined Reactors

Scientific Glass Apparatus

Glass Dissolution Bowl

Laboratory Glass Apparatus

Chemistry Lab Apparatus

Sintered Glass Apparatus

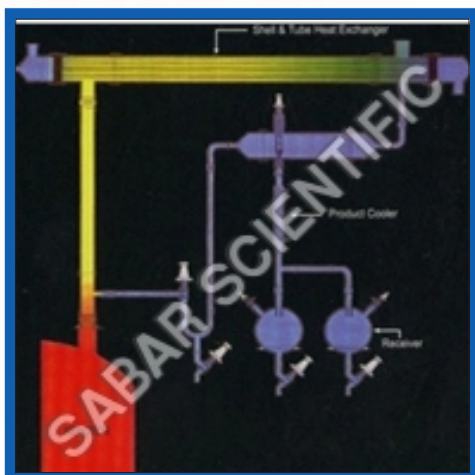

F.B.Flask with Interchangeable Joint

Multi-Necks Interchangeable Joints Flasks

Fractional Distillation Unit

Shell & Tube Over Glass-Lined Reactors

Plain Desiccators

Laboratory Cylinders

Akhand Deep

Laboratory Stirrers

Button Type Stirrers with PTFE
