About Us

Ensonic is led by a team of highly skilled professionals who have more than 15 years of experience in brand development. "Ekin", derived from the Sanskrit word for "simplicity", was born out of an urge to redefine the digital education segment in the country and make it accessible to the masses by simplifying technology.

As the digital world is rapidly expanding, we are dedicated to bridge the gap between customers and technology by bringing the latest advancements in the most simplified manner. We are leaders in providing customized solutions for all sectors specially the education and corporate sectors, offering end-to-end solutions that include Multiple kinds of unique combinations and solutions viz.. Smart & Virtual Classroom solutions, Video Conferencing Solutions, Hybrid Set ups, Controller based classroom set ups, Studio rooms. etc.

With over 40+ products in our category and experience centers at 10+ locations in India, we strive to make technology accessible to all. As creative hustlers, we are constantly pushing boundaries and striving to make a difference in the education segment. Join us on this exciting journey towards a simplified and technology-driven future with Ekin.
