About Us

Human body requires numerous nutrients to function properly. Many people make perfect use of dry fruits on a daily basis to get essential nutrients and maintain their health. Of all the best available dry fruits, Dried Raisins are the most widely used. They are consumed raw or added in a variety of food items. But there are various types of raisins, from black to dark brown, golden and green, available in the market. Customers wanting specific type of dried raisins are well impressed by Siddhi Agro Industries, a Nashik, Maharashtra (India) based company.

We are a dependable manufacturer of standard quality Black Flame Raisins, Dark brown Raisins, Golden Dried Raisins, Green Golden Raisins, Green Long Raisins, Kashmiri Raisins, Malayar Raisins and many more raisins. Our raisins are rich in taste, high in nutritional content and delightful in taste. Customers around the globe appreciate our offered raisins for their purity and freshness. In our four years of incredible business journey, we have received enormous respect and admiration of customers, owing to the strategic decision making, great business skills and complete support of Mr. Hemant Jagtap, Proprietor of the company, who believes in serving simply the best quality dried raisins to customers.
