HYDROGEN SULPHIDE

About Us

Our company, Peenya Industrial Gases Pvt. Ltd., is a quality-certified company that is known as a leading manufacturer, trader, and supplier of Ivf Tri Gas, Entonox Gas, Nitric Oxide For Medical Use, Krypton Neon Xenon Dlco Gas, Carbon Monoxide Gas Jumbo Cylinder, and more. We are also known as a trustworthy service provider offering installation and repair services at cost-effective prices.

We are considered one of the top entities in the industry, characterized by our strong commitment to quality and customer satisfaction. The solid framework founded on expertise and innovation has allowed us to deliver good solutions on a consistent basis for all our clients in different sectors across various industries. Our company is proud of its ability to keep pace with the shifting needs of the market while delivering each project with the utmost care and attention to detail.

We have many operational excellencies that show in the optimized processes, stringent quality control measures, and effective delivery systems. Our committed team works hard to offer customized solutions that address the specific requirements of each client. Whether delivering dependable services or high-quality products, we uphold a customer-focused approach that has fostered enduring relationships and trust. We will continue with the drive to improve our services and keep up the industry standards at their highest mark.

Key Facts

No of Staff	300
Year of Establishment	1990
OEM Service Provided	No

Our Products

**Krypton Neon Xenon
DiCo Gas**

Hydrogen Sulphide

Nitric Oxide Gas

Methane Gas

Entonox Gas

Carbon Monoxide Gas

DiCo Gas

**Nitric Oxide For
Medical Use**

Ethylene Gas

Ivf Tri Gas

**Carbon Monoxide Gas
Jumbo Cylinder**

Nitrogen Dioxide Gas

ADDRESS

Plot No. 76, Jigani Industrial Area, Anekal Taluk, Bengaluru, Karnataka, India (560105).
