About Us

DAC ORGANICS PRIVATE LIMITED came into existence in the year 1993 as a trustworthy Manufacturer and Supplier of industrial adhesives. Our company deals in a broad range of Rubber Adhesive, Synthetic Rubber Adhesive, Industrial Rubber Adhesive, PU Adhesive, SR Adhesive and Spray Adhesive that find their extensive application in different industries such as leather, rubber and many others. These adhesives are extensively demanded to bond or joining two surfaces together. Our experts have processed these adhesives keeping industry norms in mind. Acknowledged for their excellent bonding strength and longer shelf life, our provided adhesives can be availed in different packaging options as per client requirements and choices.

We have with us a team of veterans, who aid in executing the business operations in easy, fast and hassle-free manner. Our team has several members including production engineers, warehousing experts, packaging experts, administrative personnel and many others. They work together as a team to achieve business objectives and targets. Our advanced and integrated infrastructure enabled us to grow day by day and meet the urgent orders within the committed time frame. Equipped with modern machines and spanned over a wide area of land, this facility is supervised and monitored by a skilled team of experts, who are selected on the basis of their knowledge and experience.
